

S&E priorities 2021

- As a Supervisor;
- As a public administration;
- As a member of the EU's DPO network

From compliance boost to selective enforcement actions

Two topics:

- Implementation of Schrems II judgement;
- Covid-19 related processing activities:
 - Return to work (tests, temperature checks, etc.)
 - IT solutions to ensure business continuity
 - New processing operations by EUIs in charge of public health

From compliance boost to selective enforcement actions

One approach:

- Mapping of activities;
- Provide Guidance
- Selective enforcement actions

A new JHA sector within the S&E unit

- More resources to JHA;
- Consistency between supervision of operational and administrative data

EDPS-DPOs roundtable

- Set up regular online roundtables with a small group of DPOs:
 - Foster cooperation;
 - Foster understanding of EUIs and DPOs needs;
 - Facilitate by the EDPS DPO
